

Professional Summary

M.Pharm graduate with distinction and professional experience in **Quick-commerce, Brand partnership and suppliers relationship management, pharmaceutical supply chain management, procurement, and category growth**. Currently working at Zepto Pharma (Quick-commerce vertical), managing end-to-end supply chain, vendor relations, product listings, and strategic sourcing. Strong cross-functional experience across formulation development, manufacturing, and digital operations. Skilled in Excel, Sheet-based analysis, SQL and Power BI. Adept in ensuring compliance, managing supplier networks, and driving operational efficiency.

WORK EXPERIENCE

Professional Experience

Zepto Pharma – Quick-commerce

Executive –Procurement & Supply Chain (Central Operations) | Core Team Member

Nov 2024 – Present

Bengaluru, KA

- Led **Brand collaborations**, brand relations, and the pharma e-commerce category — managing supply chain, sourcing, catalog management, and supplier performance.
- Onboard and managed 250+ suppliers, CFAs, and brand partners, driving strong **supplier relationship management** and order fulfillment.
- Executed pricing and **margin negotiations along with digital marketing (ads & promotions)** to enhance profitability and drive brand sales while maintaining service levels.
- Oversee **NPI** (new product introduction) and **listings, and boost sales** for brands by providing insights to help build their brand, improving product discoverability and the online customer experience.
- **Negotiated contracts** and **finalized agreements** with Brands, vendors and partners.
- Conduct **inventory planning**, ensuring optimal stock levels and reducing out-of-stock occurrences.
- Drive **daily operational analysis** using Excel dashboards, pivot tables, and automated reporting.
- Ensure compliance in supply chain transactions, contracts, and pharma-specific regulatory standards.
- Supervise the entire **purchase order (PO) lifecycle**: requisition, approval, order creation, supplier confirmation, and receipt reconciliation.

IDRS Labs (Swalava Enterprises)

Intern -Formulation development

Feb 2024 – Jun 2024

Bengaluru, KA

- Supported **Formulation development projects** in solid and liquid dosage forms.
- Coordinated **Lab documentation, compliance checks**, and team-based formulation planning.

Srusti Pharmaceuticals

Intern – Manufacturing operations

Nov 2023 – Dec 2023

Bengaluru, KA

- Participated in the **Manufacturing of commercial batches**, helping ensure GMP compliance.
- Assisted in identifying **process improvement opportunities**, contributing to operational time and resource saving

EDUCATION

PES University <i>M pharm</i>	2022 – 2024 <i>Bengaluru, KA</i>
Rajiv Gandhi University of Health Sciences <i>B pharm</i>	2018 – 2022 <i>Bengaluru, KA</i>

ACHIEVEMENTS

- Successfully managed 250+ vendor & CFA accounts with 99% order completion.
- Reduce procurement costs via strategic sourcing and negotiation.
- Enabled faster product listings through optimized cataloging workflows.
- Played a major role in Formulation development projects.
- Assisted with successful pharma batch productions.
- Ranked **68th in Karnataka PGCET**.
- **MRD scholarship** awardee for academic performance.
